The NHTRC Student Toolkit (National Human Trafficking Resource Center) is designed to provide students with resources to identify and raise awareness of human trafficking in their community. Students can help promote the NHTRC hotline and prepare their campus and community to take a stand against human trafficking. <https://na4.salesforce.com/sfc/p/#300000006E4S/a/600000004SBt/AcmGhjfB0E2PLzGv4fRzpvCY5Z9LWC8pJ1.JU2G8deQ=>

ECPAT-USA [<mailto:info@ecpatusa.org>]

Anti-Trafficking Activist Toolkit is being tested by New York City High School students.

The Toolkit educates young people about human trafficking and provides the knowledge and skills they need to educate their peers. Using a "learn and lead" approach, the project enables youth to take ownership of the project and empowers them to speak out about exploitation and about what young people can do in their own communities. <http://www.ecpatusa.org/home>
